

REMARKS

Claims 1-5, 7 and 10 are pending in this application of which claims 1, 7 and 10 are independent.

In the Advisory Action December 30, 2004, the Examiner withdrew the rejection of claims 6, 9 and 11 and now objects to these claims as presumably being allowable. Accordingly, claims 1, 7 and 10 have been amended by incorporating the subject matter of claims 6, 8-9 and 11, respectively, which as it follows have been cancelled. These amendments place the application in an immediate condition for allowance. Withdrawal of all outstanding rejections is respectfully solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
